Dear Sir:

Applicant's representative requests a refund to Deposit Account No. 50-3123 for all charges related to application No. 10/670,585 charged on January 7, 2005, a total of \$910.00.

A response was filed December 17, 2004 with payment for additional claim fees and for a one month extension of time. The response authorized the PTO to charge an American Express Credit Card for the appropriate fees of \$710.00 (\$510 for a one month extension and \$200 total in extra claims fees for a small entity) and attached a credit card form. The appropriate fees appear to have been charged to the credit card account, however additional fees were also charged to Deposit Account No. 50-3123. Applicant's representative believes the charges to the deposit account to be in error.

Respectfully submitted,
